

NATURAL SUPPLEMENTS AND HEALTH CARE RANGE

Product Catalogue

TOTAL HEALTH, NATURALLY

- ✓ 100% natural ingredients
- ✓ Naturopath formulated
- ✓ No preservatives or chemicals
- ✓ Clinically tested

OUR STORY

Little Chloe had suffered from irritated skin for years and nothing seemed to help. We set out to develop a product that would.

In 2005, following studies in Naturopathy and Nutrition, the skin care range was created, and **Natural Animal Solutions** was born. Chloe's condition resolved and we've never looked back.

We use the powerful compounds naturally found in plants and herbs to soothe the skin, ears and eyes. Further research into nutrition and targeted supplementation, led to the development of our Omega Oil range and the nutritional supplements you see available today. We make everything from scratch enabling you to easily blend into food and control dosage.

Why Choose Our Products?

We harness the science in nature. All natural ingredients are sourced and hand-blended by us. Free from fillers, every ingredient used is high quality and carefully researched.

Natural remedies have been used for centuries and we're passionate about providing safe, affordable supplements, easy to add to any food bowl. They are safe and they work.

Made in Melbourne, Australia.

We have been learning and developing ever since growing out of our regional Victorian origins to our current home in Melbourne. All our products are blended and created from scratch at our Melbourne facility, we therefore know the source and quality of every raw material used.

HEALTH ESSENTIALS KIT

General
Health

Give your pets the best with our Natural Animal Solutions' **Health Essentials Kit** – five top quality products for their ultimate well-being

- Mini-sized holistic pet care
- Convenient pouch for on-the-go wellness
- Naturopath-approved natural solutions

FEATURES AND BENEFITS

Stay proactive in pet health

The Natural Animal Solutions **Health Essentials Kit** fosters proactive pet health by **including essential supplements and remedies**, encouraging consistent use for vigilant monitoring of your dog's well-being.

Dermal Cream for soothing skin support

A best-selling formula **enriched with 10 natural ingredients** including vitamin E, Neem Seed oil, and Lavender essential oil, **offers fast-acting relief** and optimal hydration for pets.

Eye Clear for bright and clear eyes

Eye Clear, with its gentle formulation and all-natural ingredients, **effectively cleanses and lubricates your pet's eyes**, providing quick relief from irritants and supporting their overall eye health.

ItchyScratch for relieving discomfort

ItchyScratch is a fast-acting, cooling spray formulated with natural ingredients like Aloe Vera, tea tree oil, and golden seal, **providing soothing relief for itchy, moist skin and sensitive paws**.

Ear Clear for optimal ear health

Natural Animal Solutions **Ear Clear** is a gentle, natural ear cleaning solution for pets. **It effectively removes wax and debris, preventing infections**, and promoting ear hygiene without causing irritation.

DigestaVite Plus for digestive wellness

A concentrated multivitamin with prebiotics, **supports gut health, skin, coat, and digestion** for dogs and cats, **offering 46 essential nutrients** from sustainable sources.

OMEGA OIL

General
Health

Enhance your pet's meals with Natural Animal Solutions' best selling **Omega Oil**, a premium food topper meticulously formulated to promote your pet's optimal health

- Clinically balanced, optimal ratios of Omega 3, 6 & 9 oils
- High potency formulation
- High in Omega 3 EPA/DHA
- Sustainably harvested

FEATURES AND BENEFITS

Joint stiffness and discomfort

Addresses joint stiffness and discomfort in pets effectively. **Reduces inflammation**

in the joints, providing relief and promoting increased mobility. Assists in **alleviating discomfort** associated with joint conditions, promoting a more comfortable and active lifestyle.

Dry, itchy skin and coat issues

Nourishes the skin from within, improving moisture retention and preventing dryness.

Fortifies the skin's natural defences, **reducing itchiness and discomfort**. **Soothes irritated skin** and reduces redness with anti-inflammatory properties of Omega 3 fatty acids.

Ageing-related cognitive issues

Supports cognitive function by promoting healthy brain cell membranes

and improving neurotransmitter function. Potentially **slows down the progression of cognitive decline** in ageing pets, maintaining cognitive abilities for longer.

Easy to administer

Easily mixed with pet food, simplifying incorporation into their regular diet without disruptions or stress. Convenient application method **eliminates the need for forceful administration** or struggling with pills or capsules.

Cardiovascular health concerns

Improves cardiovascular function and reduces the risk of heart disease in pets.

Natural, effective way to support the cardiovascular system, promoting a healthier and longer life for pets.

Safety and quality assurance of the product

Made from carefully selected, high quality ingredients sourced from reputable suppliers. Manufacturing adheres to **strict industry standards**.

DIGESTAVITE PLUS

Digestive
& Gut

Superior nutritional support from the inside out. **DigestaVite Plus** is a great way to compliment any diet with over 34 essential vitamins and minerals

- Packed with natural prebiotic fuel for a healthy gut
- Plant sourced anti-inflammatory and antioxidants
- Maintain digestive and intestinal health by enhancing digestive tract cellular health

FEATURES AND BENEFITS

Rich source of antioxidants

Astragalus Root, Chicory Root, Grape Seed extract and Ginger Root **support the stabilisation of cells in the digestive tract, which may reduce the harmful activity of 'free radical', unstable cells.**

Anti-inflammatory source

Plant sourced compounds in Chicory Root, Ginger and Grape Seed extract, **support the re-balance enzymes activity** that can lead to inflammation.

Prebiotic gut fuel

Contains a range of prebiotics, **fueling the healthy bacteria in the gut**, enabling them to do the critical jobs that they do such as modulate immune system and **absorb nutrients into the body.**

Value for money for cats and dogs

Each pot **lasting 2 months for a small to medium dog**, with just small dosages needed, in powder format. Great tasting and easy to use.

Healthy stool and breath

Rich fibre sources including Chicory Root, support both constipation and diarrhoea by **supporting the body to absorb the optimal amount of water** from their diet.

More than 34 essential vitamins and minerals

Each and every one **acting as crucial fuel for the different cellular organisms in the body**, supporting every element of your pets health and strength.

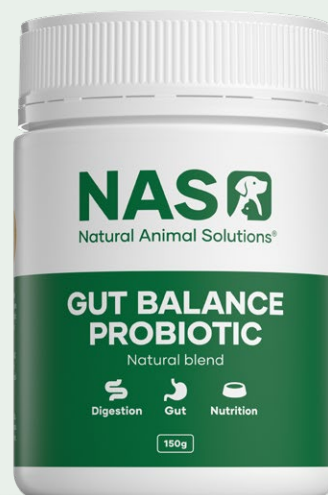

GUT BALANCE PROBIOTIC

Digestive
& Gut

Embark on a journey to wellbeing with Natural Animal Solutions' **Gut Balance Probiotic** – because good health starts with the gut

- High Strength at 4Billion CFU per gram
- Ambient stable with 5 carefully selected live strains and Prebiotics
- Promotes digestion, nutrient absorption and immune system balance

FEATURES AND BENEFITS

Blend of 5 probiotic strains

Our Gut Balance Probiotic offers health benefits that **boost the immune response, benefiting skin, joints, digestion, and dental health.** The inclusion of B Longum has also been found to support healthy signals to the brain, **effectively reducing the onset of anxiety.**

High concentration of 4 billion CFU within each gram

Gut Balance Probiotic provides an abundance of live probiotics to deliver maximum effectiveness, **bolstering your pet's immune system** and maintaining a robust gut environment.

Three flavour options

Our Gut Balance Probiotic provides fantastic flavour options, including **Natural, Kangaroo** or **New Zealand Green Lipped Mussel**, catering to even the fussiest eaters.

Chicory Root derived Inulin and Barley Malt Extract

Harnessing the power of **Chicory Root derived Inulin and Barley Malt Extract**, our Gut Balance Probiotic product **delivers targeted prebiotic support**, promoting a balanced gut microbiome.

Immunomodulatory support with Astragalus Polysaccharides

With an **optimal ratio of Astragalus Polysaccharides**, our Gut Balance Probiotic supports your beloved animal's immunomodulatory system, **enhancing their overall immune response.**

Quality controlled

Manufactured and stored in a **temperature and humidity controlled environment**, our Gut Balance Probiotic ensures **consistent quality and potency**, providing a reliable, long-lasting solution for your pet's gut health.

JOINT & LIGAMENT SUPPORT

Joint
Care

Superior **joint care supplement** containing Chondroitin and Glucosamine coupled with the natural nutrition and flavour of NZ Green Lipped Mussel

- Chondroitin & Glucosamine support cartilage health and elasticity
- Antioxidant qualities in Hesperidin supports cell stability
- Anti-inflammatory source in NZ Green Lipped Mussel may reduce joint inflammation

FEATURES AND BENEFITS

Antioxidants source

Oxidative stress can arise in humans and pets alike, for many reasons including reactions to medications, environment changes, diet changes and others. Antioxidant compounds, such as the citrus sourced **Hesperidin**, **re-balance the unstable cells** created in oxidative stress and **support the return of normal cellular activity**.

Vitamins and minerals

Our products are always enhanced with **our proprietary blend of vitamins and minerals**. Potassium, Zinc and Manganese are included to **support nerve function and bone density**.

Easy to use

Powder format with scoop for easy dosage makes simply sprinkling it over or blending in with your food of choice quick and easy.

Anti-inflammatory source

Anti-inflammatory compounds actually **intercept the production of enzymes that otherwise trigger inflammation**, swelling and redness in the body. **NZ Green Lipped Mussel contain both Omega 3 fatty acid** which are well known for their anti-inflammatory properties.

Value for money for cats and dogs

Each pot **lasting 2 months for a small to medium dog**, with just small dosages needed, in powder format. Great tasting and easy to use.

Naturally sourced

Both **Glucosamine and Chondroitin are naturally sourced joint care supplements**, supporting the cellular health of joints in a safe and gentle way.

JOINTPRO ADVANCE

Joint
Care

Natural Animal Solutions' **JointPro Advance** is specifically formulated to support bone density strength and ideal for recovering from injury or illness

- Support growth and maintenance of joints
- Support healthy cartilage and bone density
- Pre and post-injury support
- High strength, small dosage formulation

FEATURES AND BENEFITS

Unique blend of herbs

Made from a **unique blend of ancient herbs**, used for centuries for their **antioxidant and anti-inflammatory qualities**, reducing the likelihood of over inflammation and discomfort.

Wonderful Salvia Miltiorrhiza

Nutrients consumed are only as useful as the extent to which the body can get them to where they are needed. The wonderful Salvia Miltiorrhiza is **recognized for its ability to enhance blood circulation**, supporting the **delivery of key nutrients to bones** throughout the body.

Specifically formulated

JointPro Advance is specifically formulated to **support bone density strength**. It is an ideal supplement to support pets **recovering from injury, or illness**, highly active dogs or large breeds.

Generate stronger bone tissue

Signs that your pet **may have developed low bone density** could be lethargy, swelling in the legs, reluctance to play or exercise and sensitivity to the touch in certain limbs. JointPro Advance supports the re-balance of nutrients that the body needs to **generate stronger bone tissue**.

Maintain bone health

Rich in flavonoids and icarlin, JointPro Advance has been developed to support osteoblast activity and **increase bone mineral density**, helping maintain overall bone health.

Easy dose gel capsule

Our JointPro Advance comes in an **easy-dose gel capsule** and is suitable for dogs and cats of all ages, and is **shellfish free**.

OSTEOFORTE

Joint
Care

OsteoForte is an all-natural supplement, free from fillers and artificial ingredients, delivering the necessary nutrients for maintaining healthy joints

- 100% natural ingredients
- Maintain overall joint health
- Joint mobility support
- Suitable for cats and dogs of all ages

FEATURES AND BENEFITS

100% natural ingredients

Our OsteoForte is an **all-natural supplement**, free from fillers and artificial ingredient, and is **shellfish free**.

Joint mobility support

Joint mobility is an important part of an ageing pet's life and they often need a supplement that can **deliver the necessary nutrients** to maintain the health of their joints. OsteoForte is **formulated using the highest quality natural herbs** to help your pet's body do this.

Easy dose gel capsule

Available in **easy-dose gel capsules** making it easy to administer for all pet's, even fussy eaters. The capsules are made from soft gel and can easily be opened to **release the powder inside**.

Helps with joint stiffness

Whether your dog is an Olympic athlete, or a lower energy dog, the development of **joint pain and stiffness** is one of the most common ailments to afflict dogs of all breeds and ages, **OsteoForte can help**.

Suitable for cats and dogs of all ages

You can recognise if your pets **need support** due to changes in their behaviour and mobility, but this is **not only limited to older pets**, it can also occur in younger dogs and cats.

Safety and quality assurance of the product

Made from **carefully selected, high quality ingredients** sourced from reputable suppliers. Manufacturing adheres to **strict industry standards**.

DERMAL CREAM

Skin
& Coat

Embark on a journey to wellbeing with Natural Animal Solutions' **Dermal Cream** – a proprietary blend of essential skin nourishing nutrients

- 100% safe for cats and dogs
- Nourishing cream base
- Containing 10 key active (natural) ingredients
- Cortisone and anti-biotic free

FEATURES AND BENEFITS

Optimal blend of 10 ingredients

Featuring Comfrey Oil, Neem Seed Oil, Witch Hazel, Golden Seal, Yarrow, Lavender Oil, Vitamin E, Aluminum Acetate Solution, Grapefruit Seed Extract and Rosemary Extract.

These ingredients are easily absorbed in the format of a **nourishing cream base**.

100% natural alternative

A natural alternative, **suitable for dry and broken skin**. Easy to apply. Deeply nourishing and **non-greasy natural plant extract** for your pets skin.

Ideal for minor wounds

Dermal Cream is **ideal for minor wounds, scratches and dry skin conditions**. Dermal Cream is easily absorbed and contains the **finest natural antibacterial and plant extracts** to promote skin healing.

Safe for cats and dogs

100% safe for cats and dogs. Dermal Cream contains TGA listed ingredients. **Cortisone and Anti-biotic free.**

Improves skin condition

Dermal Cream is a unique, luxurious product that will help **improve the appearance of a pet's skin**. It is a non-greasy formulation that will **quickly penetrate and moisturise the skins delicate layers**.

Controlled manufacturing environment

Dermal Cream is manufactured and **stored in a controlled environment** to ensure consistent quality and potency, **providing a long-lasting solution** to your pet's skin health.

DERMAL OIL

Skin
& Coat

Crafted with care, **Dermal Oils** easy-to-use, all-natural solution forms a protective barrier, ideal for wound management and promoting lasting skin health

- Contains only four natural ingredients
- Multi-species friendly – a versatile solution for your entire pet family
- Skin protection and versatile wound care

FEATURES AND BENEFITS

Four natural ingredients

Dermal Oil boasts a deeply nourishing **blend of four essential ingredients**, promoting skin health and **overall well-being**. Featuring Neem Seed Oil, Eucalyptus Oil, Lavender Essential Oil and Comfrey Oil.

Versatile wound care

Our Dermal Oil is ideal for **managing minor wounds, cuts, and abrasions**, ensuring a more comfortable healing process and providing comprehensive skin care for your pet.

Multi-species suitability

Dermal Oil is suitable for dogs, cats, horses, and small animals of all ages, offering **versatility for various pets**.

Pet health for life

It supports lifelong pet health by **preventing skin issues and irritation**, maintaining your pet's well-being over time.

Pet skin protection

Dermal Oil offers a vital topical barrier for safeguarding your pet's sensitive skin, **defending against environmental contaminants like bacteria**.

Controlled manufacturing environment

Dermal Oil is manufactured and **stored in a controlled environment** to ensure consistent quality and potency, **providing a long-lasting solution** to your pet's skin health.

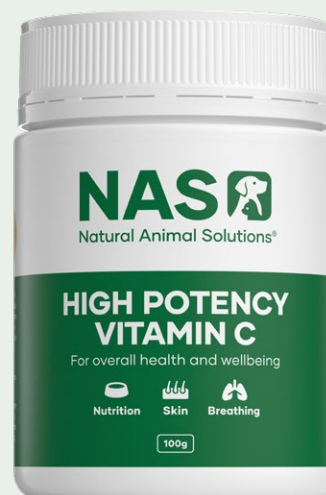

HIGH POTENCY VITAMIN C

Skin
& Coat

A natural food supplement in an easy-to-use powder form. **High Potency Vitamin C** supports overall health including allergy symptoms.

- Maintain a healthy immune system
- Support skin tissue and maintain healthy gums
- No artificial fillers, flavours, colours or preservatives
- Support synthesis of many B vitamins

FEATURES AND BENEFITS

When nature needs a little help

Dogs and cats, unlike humans, do **produce their own vitamin C**, however on occasion, particularly through **physical exertion, seasonal changes, unbalanced nervous system**, these reserves can become depleted.

Natural antioxidant

Vitamin C in particular **supports skin tissue, maintains healthy gums**, supports synthesis of many B vitamins and **as a natural antioxidant, provides excellent detoxification** to help remove free radicals from the body.

Natural antihistamine

Vitamin C is a **natural antihistamine** so can support your pet through seasonal changes. Vitamin C is also known to **support many functions within the body**, including skin, immune health and allergy symptoms.

Easy to use

High Potency Vitamin C is a **natural food supplement**, a water soluble vitamin and is **easy to use in a powder form**. Sprinkled daily on your pets food for times when they need a quality supplement.

Value for money

High Potency Vitamin C **requires only a small serve per day** for overall health and wellbeing and is suitable for dogs and cats of all ages, including guinea pigs and other small animals.

Safety and quality assurance of the product

Made from carefully selected, high **quality ingredients** sourced from reputable suppliers. Manufacturing adheres to **strict industry standards**.

ITCHY SCRATCH

Skin
& Coat

A soothing, natural solution to paw licking irritation on the skin. **ItchyScratch** is a gentle but effective solution to keep in the cupboard at home

- Easy to use spray for both cats and dogs
- Optimal blend of Aloe Vera, Tee Tree Oil and Golden Seal
- Naturally cooling and soothing

FEATURES AND BENEFITS

Fast acting

ItchyScratch can be **sprayed directly onto the skin** by parting the fur, or sprayed onto your hand and massaged into their skin. The solution is **absorbed quickly by the skin, supporting a rapid cooling** of any heat in the skin.

Dog and cat safe

Can be used **for both dogs and cats** of all ages. You can keep ItchyScratch in the cupboard as a **go-to first solution**.

Cool plants

Aloe Vera, Golden Seal and Tee Tree Oil have been used for centuries for their **soothing and cooling qualities**. Golden Seals contains a bioactive compound called Berberine which is known for its **antimicrobial, anti-inflammatory and immune response properties**.

Counteract malodour

Skin irritation can sometimes be caused **from stinky debris** on beaches or other adventures your beloved pet has been on. The natural, soothing inclusion of small quantities of **Tee Tree Oil works to counteract those pongy microbes** that may be inhabiting your beloved pet's fur.

Value for money

A **convenient spray bottle**, can be kept in the cupboard and used as and when needed, up to 4 times a day. A **highly affordable** 'first response option' to have at home.

Hand blended

ItchyScratch is **hand blended with care and compassion for animals**. Carefully blended by hand in our warehouse in Melbourne using **locally sourced, natural tinctures**, every bottle is made to an optimal blend for daily use if needed.

EAR CLEAR

Eyes
& Ears

Cleaning, soothing and maintaining ear health – naturally. **Ear Clear** is ideal for cleaning dirt and wax from the ear to help support ear health

- Maintain, healthy clean ears
- Free from detergents, irritating agents and sticky oils
- Ideal for use after swimming

FEATURES AND BENEFITS

Natural plant extracts

Ear Clear contains the **finest plant extracts and natural ingredients** including Aloe Vera, Witch Hazel, Boric Acid, Lavender Oil, and **Aluminium Acetate**, an effective cooling and drying agent.

Innovative formulation

Ear Clear's gentle **Witch Hazel and Aloe Vera based formulation** harnessing nature's best to gently alleviate day to day gunk and blockages in your pet's ears.

Chemical free

Ear Clear is **free from detergents, irritating chemicals** and sticky oils and can be used to maintain your pet's general ear health. It is also **Sulphate and Paraben free**.

Removes wax and odours

When wax is allowed to **build up in the ear**, dirt can then adhere itself to the waxy surface. A weekly dose of Ear Clear **will remove debris, wax and odours** without causing discomfort.

Easy to administer

Ear Clear comes with a **handy dropper**. Incredibly easy to use the dropper **minimises any discomfort** for both you and your beloved pet.

Maintains healthy clean ears

Ears can be a **haven for dirt and grime**. Including Ear Clear in your pet's weekly grooming regime will **help clean dirt from the ear** to help maintain ear health.

EYE CLEAR

Eyes
& Ears

A gentle, natural eye cleaning solution. Natural Animal Solutions' **Eye Clear** contains all natural ingredients in a soothing saline base

- Contains 4 natural ingredients
- Practical applicator for safe and easy use
- Suitable for cats, dogs, horses and livestock of all ages

FEATURES AND BENEFITS

Natural ingredients

Our Eye Clear contains **all natural ingredients** in a **soothing saline base**.

Featuring Colloidal Silver, Eyebright, Golden Seal, and Devil's Claw.

Gentle formulation

Eye Clear is a gentle solution to use to **wash away unwanted grime** from any part of your beloved pet, **without causing irritation**.

Eye lubrication

Eye Clear's gentle formulation not only **cleans the eye but lubricates as well**,

keeping the eye moist and clean, **helping clear away any particles** that could cause further irritation.

Easy to administer

Eye Clear comes with a **handy dropper**. Incredibly easy to use the dropper **minimises any discomfort** for both you and your beloved pet.

Quick relief

On occasion, dirt, sand or water and wind can irritate or dry the eye out, causing discomfort. Having Eye Clear solution on hand **enables quick relief and support** to return the eye to its natural balance.

Safe for a variety of pets

Suitable for **cats, dogs, horses and livestock** of all ages. Natural Animal Solutions' Eye Clear is the ideal gentle, **natural eye cleaning solution**.

Supporting your pet's natural balance. **Calm** is designed to maintain normal nervous function for your pet's overall balance and wellbeing

- Naturally calming animal remedy
- Suitable for thunder, fireworks and loud noises
- Suitable for grooming visits, vet visits and car trips
- Fast acting and non drowsy

FEATURES AND BENEFITS

Natural ingredients

Calm is a **natural, herbal supplement**, in tablet form, for those that experience nerves or anxiety. Every ingredient is from plant matter and **100% natural**.

Suitable for a variety of tense situations

Ideal for many circumstances such as fireworks, separation anxiety, loud noises and thunderstorms. Suitable for **grooming visits, vet visits and car trips**.

Easy to use tablet form

Calm tablets provide convenient dosage control. They are **crushable to be dissolved in liquid** if you prefer a liquid form or **can be given with food**. Suitable for dogs, cats and small animals.

Fast acting

Calm tablets are a very effective way to support all pets during stressful situation. The average time frame is **between 15 to 20 minutes** and can be **taken shortly before a stressful event**.

Helps calm nerves and anxiety

Nerves and general anxiety are two of the most common issues facing pet owners and their pets. These issues can cause **disrupted sleep, behavioural problems**. If this sounds like an issue facing your pet, then Calm is the product for you.

Safe and non drowsy

If you feel your pet needs Calm tablets daily, then it is **safe to give on a daily basis**. Calm tablets **do not make pets drowsy** and do not affect their cognitive responses.

RESPRAEZE

Anxiety
& Stress

Natural Animal Solutions' **RespraEze** is your pet's respiratory wellness guardian – a fast-acting, natural solution for clear, comfortable breathing

- Bio-dynamic herbal extracts
- Quick relief – helps pets breathe easier and feel better rapidly
- Multi-pet friendly – a versatile solution for your entire pet family

FEATURES AND BENEFITS

Natural herbal extracts

Crafted with care and precision, RespraEze is a liquid, enriched with **bio-dynamic herbal extracts**. Featuring Marshmallow Root, White Horehound, Echinacea, Licorice, Andrographis, and Golden Seal.

Cough, flu and respiratory issues

RespraEze is aimed at providing swift and effective support for **common respiratory issues** in pets, including **kennel cough and cat flu**. Works quickly to help pets breathe easier and feel better rapidly.

Innovative formulation

This **innovative formula** is not only **fast-acting** but also **gentle on your pet's stomach**, ensuring comfort during usage. RespraEze is the ideal choice for owners who prioritise their furry companions' health.

Easy to administer

Comes in a convenient **liquid formula**. RespraEze **can be added to food** making it as stress-free as possible for both pets and pet parents. RespraEze has a strong taste and can be watered down to administer.

Boosts the immune system

RespraEze gives your pet a much needed **immune system boost**, helping reduce the risk of common illnesses and seasonal issues.

Safe for cats and dogs

Can be used **for both dogs and cats** alike. Keep RespraEze in the cupboard as a **go-to first solution**.

TRAVELEZE

Anxiety
& Stress

Natural Animal Solutions' **TravelEze** is your furry friend's ticket to a comfortable and non-drowsy journey. It offers fast relief for motion sickness and a happier travel experience

- Made from natural ingredients
- Non-drowsy formula – travel without sedation
- Fast acting, for quick relief against motion sickness

FEATURES AND BENEFITS

Natural ingredients

100% natural, TravelEze is crafted with premium herbal ingredients including **Ginger, Withania, and Chamomile**.

Fast acting

TravelEze offers **fast relief** against motion sickness by **settling tummies**, ensuring you and your pet can enjoy travelling once again.

Innovative formulation

Our **alcohol-free, non drowsy formula** is specifically designed to make travel a breeze for pets and their owners.

Easy to administer

Comes in a convenient **liquid formula**. TravelEze **can be added to food**, making it as stress-free as possible for both pets and pet parents. TravelEze may be diluted with water to improve palatability.

Directions and dosages

Recommended **30 minutes prior to travel** and again before travel and every hour during travel if required. TravelEze is available in 15ml and 100ml sizes.

Safe for cats and dogs

Can be used **for both dogs and cats** alike. Keep TravelEze in the cupboard as a **go-to first solution** for any car trips.

GOAT MILK POWDER

Nutritional
Supplements

Goat Milk Powder is a fantastic dietary supplement for young puppies and kittens, whilst also a great treat for older animals and very gentle to digest

- 100% pure natural goat milk powder
- Ideal milk replacement for most orphan animals
- Free from fillers, colours, flavours or preservatives

FEATURES AND BENEFITS

Multitude of nutrients

Rich in nutrients, vitamins, minerals, enzymes and bio-available protein.

Goat Milk Powder contains a multitude of nutrients and is often referred to as the **most nutrient dense bio-available food source** available.

100% goat milk powder

Made from **100% pure natural goat milk powder** (human grade). Our formula is

100% filler and dairy free, making it ideal for weaning, malnutrition and upset tummies.

Multi-species suitability

Support your pets health for life. Goat Milk Powder can be used for cats, dogs, horses,

as well as livestock; sheep, goats, cattle, chickens, pigs and **native Australian wildlife**.

Dairy and whey protein free

Our Goat Milk Powder formula is **dairy free and contains no whey protein** (a protein often associated with causing diarrhea). It is **low in lactose and highly digestible**.

Same formulation

Available in both 200g and 400g sizes.

Aside from the name change, our **Pro-Vita Lac** is identical to **Goat Milk Powder**.

Australia sourced

Natural Animal Solutions' Goat Milk Powder is **sourced from within Australia**, supporting local farms in Victoria.

NATURE'S ORGANIC CALCIUM

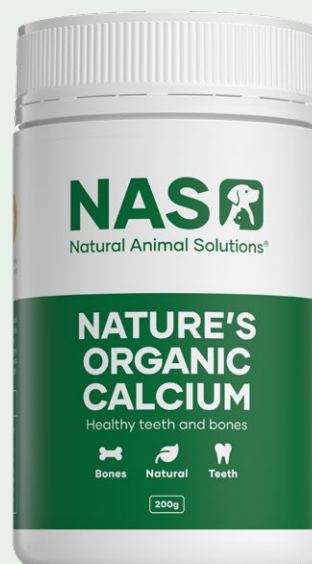

Nutritional
Supplements

Nature's Organic Calcium

is an organic plant based calcium containing naturally available magnesium, boron, zinc, iron and other essential nutrients

- Completely free of fillers, flavours, colours or preservatives
- Can be used for calcium deficiency
- Helps maintain bone growth and strength

FEATURES AND BENEFITS

100% organic seaweed

Nature's Organic Calcium is an **organic plant based calcium** made from **100% organic** Lithothamnium Calcareum (calcified seaweed). It is completely free of fillers, flavours, colours or preservatives.

Great value for money

We do not use any fillers in our products, so the dosage rates are very low. Nature's Organic Calcium is **highly cost-effective**, with a dose **8 times less** than many other similar products.

For young and growing pets

Calcium is an essential part of your **young pet's daily nutritional intake**. Since Calcium is the foundation block for **building strong bones and teeth** you can ensure that your pet is receiving an adequate intake of bio-available calcium when they are young and growing rapidly.

Bone growth and strength

Calcium deficiencies are still a common occurrence in pets. Nature's Organic Calcium is the ideal product for **supporting bone growth** and to maintain **bone strength**.

Maintaining strong teeth

Calcium is essential for **building strong teeth**. Many **older pets cannot chew bones** as readily as they did in their younger years and need a natural, easily digestible calcium supplement.

Regeneration support

In the event of injury or illness, supplementing with a small dose of Calcium each day **supports regeneration of joint and bone tissue** as well as dental health.

ORGANIC SEAWEED

Nutritional
Supplements

Elevate your pet's well-being with our **Organic Seaweed** nutrient-rich supplement, a natural powerhouse of essential vitamins & minerals

- **NASAA certified organic**
- **100% Australian King Island organic seaweed**
- **Iodine for metabolism and thyroid health**

FEATURES AND BENEFITS

NASAA certified organic

Trust in the purity and quality of our product. We are **NASAA certified**, ensuring that our seaweed is produced in an environmentally friendly and sustainable manner, **free from harmful chemicals**.

Bio-available Iodine

Iodine, the cornerstone of **metabolism and thyroid health**, is abundantly present in our seaweed supplement. It's a **natural and bio-available source of iodine**, essential for maintaining your pet's vitality.

Economical multi-vitamin

Say goodbye to the need for multiple supplements. Our seaweed supplement **offers a cost-effective, all-in-one solution** to cover your pet's vitamin needs.

Multi-species suitability

Our Organic Seaweed is **suitable for a wide range of animals**, including cats, dogs, horses, and livestock such as sheep, goats, cattle, chickens, and pigs. It's a **versatile addition to any pet's diet**, promoting their overall well-being.

Nutrient rich excellence

Our Organic Seaweed supplement is a treasure trove of **vital nutrients, boasting Vitamin A, B complex, C, E**, and an array of essential trace minerals such as iron, potassium, magnesium, phosphorus, calcium, selenium, copper, cobalt, sulphur, and boron.

100% natural

Made from **Australian King Island Organic Seaweed**. Our product is 100% pure seaweed, **free from fillers, colours, and flavour enhancers**. You can be confident that your pet is getting the real deal.
